Principal's Report

Dear Parents and Carers,

Welcome back after your 3rd term break to what will be an extremely busy and highly enjoyable term 4. I encourage you to look carefully through the term dates as there are some important events throughout this term that we would love to see you involved in.

Peter Hanlon is currently taking a period of leave for the first four weeks of term. During that time I will be the Relieving Principal with Mrs Tracey Hicks relieving as Assistant Principal and supervising Stage 3 classes. Miss Emily Burton, who has worked with class 6J for term 3, will once again work with 6J in my absence. I am confident that these changes will provide a smooth and effective transition into term 4.

Parents and carers are reminded that if you ever have concerns with your child's progress throughout this term you are encouraged to ring our front office to make an appointment with your child's teacher, who will appreciate the opportunity to discuss the relevant concerns with you.

A big thank you to all participants who took part in our term 3 Pedal Push. It was a great day for a ride with some great activities for all our children to enjoy and develop some important skills. Much appreciation goes to Jessica Barlow, Margaret Chalmers and Anne Moulden for their tireless work towards organising activities for our students. Also to our year 5 parents, students and Mrs Hicks for preparing a great sausage sizzle and lastly to all students and parents who participated in the day. The challenge now is to use the skills and knowledge acquired throughout the class bike education programs whenever riding on our roads and bike paths. All of our efforts, both students and staff, are aimed to assist our children to be able to enjoy the great activity of bike riding in a safe manner. Classes will revisit key aspects of bike education programs throughout this term, focussing on the importance of safe riding practices.

Our stage 3 students will participate in a Bathurst PSSA Interschool program for the first four Fridays of this term. This program provides the opportunity to participate in a range of sporting activities with students from other Bathurst schools in a non-competitive format.

I look forward to an enjoyable and most productive term working with your children.

Healthy Bites
We now have a new Term 4 menu. Could you please take a moment to check before ordering as there have been a couple of price changes due to the increase of costs from our suppliers. We also have canteen approved Lite Hamburgers available for lunch for $4.00. The new menu will take effect this week.
Please note that the canteen cannot reheat food or cook noodles etc.
Thank you to the volunteers who have volunteered so far this term. Last term’s volunteer draw was won by Lianne Taylor.
As you will see we need plenty more volunteers to fill the gaps. Volunteering in the canteen is a great way to see your children interact at school and they love knowing someone in the canteen! So feel free to drop in or give me a call.
