Principal's Report

Congratulations to Jackson Tuynman and Ella Davis who both represented Western Area PSSA at the recent State PSSA Athletics Championships in Homebush. Ella competed in the 100m and 200m track events, coming a credible 4th in her 200m heat. Jackson competed in discus and threw a personal best to be placed an outstanding 5th in the event. Great work both of you.

‘Crunch and Sip’ is an important component of our extended morning session and one enjoyed by the majority of students. Children are encouraged to have a piece of fruit or vegetable to enjoy during the allotted time of this session. A big concern arising however is with the quantity of fruit being thrown away, particularly whole apples. I encourage you to discuss this with your child as we hate seeing wasted food. Parents of our younger students are asked to peel and cut fruit such as apples into bite size pieces.

Two big events are happening on our school band calendar. On Monday, October 27, year 2 children and interested primary children will have the opportunity to participate in a 'blow test' to identify the most suitable instrument for them. A note has gone home to those children, with more information about our school band available on our school website. The next evening, Tuesday, October 28, the annual Spring Concert will commence at 5:30pm in our school hall. This is a great opportunity to enjoy the developing musical talents of our students.

A reminder that the parent Kindergarten Information Evening will be held next Wednesday October 29, at 6:00pm in the school Library for all 2015 Kindergarten parents. This will be a great opportunity to hear from teaching staff and community groups such as our P&C on important information to enable a smooth start for our kindies in 2015. There will also be an information package distributed on this evening and a chance to have individual questions addressed.

Hope to see many of you there.

From the President:
This week’s ‘Gold Star’ goes to the father of Olivia and Ella Daley - John Daley - for making and installing the new notice board. John has not only done an excellent job on this, but also on all the new outdoor seating which the students have been enjoying for the last term. Thanks again for your hard work John. I wonder what we can get him to make next. Perhaps a small notice board near the car park entry?”
Ray Blasig,
P+C President.
