**Principal's Report**

Dear Parents and Carers,

Congratulations to our Year 5 students for their outstanding participation at the Myuna Bay camp. Staff were full of praise for their behaviour, support for one another and ‘never give up’ attitude. Myuna Bay staff was also very impressed with our students. Thank you to the staff for their co-ordination of the camp and providing this great opportunity for the students.

Last Thursday and Friday 7 students from our Schools Spectacular team, participated in rehearsals in Orange. I was extremely proud to hear of their outstanding work –demonstrating and leading rehearsal sections and then being recorded to assist other schools in their preparations. The choreographer couldn’t say any higher praise of our students. Fantastic work girls! The Schools Spectacular will be held at the QANTAS Credit Union Arena (formerly Sydney Entertainment Centre) on Friday 28th and Saturday 29th November.

There have been an increasing number of students who have required antibiotic and hay fever medications to be administered during the school day. As a Departmental requirement and a duty of care to our students, a ‘Request for Administering Prescribed Medication to the Student’ form must be completed through the front office. I know this takes a small amount of your time to complete, but I would appreciate your support in following this procedure. Thank you.

The Country Fair Poster competition has been distributed to our students this week and I encourage them to participate in the competition. Entries are to be returned to your child’s classroom teacher by Friday 28th November.

Preparations for classes for 2015 have begun. There are always a number of considerations when formulating class placements of students, with a focus on engagement in learning. If you have any background information you feel would be helpful when we are considering class placement for your child, I encourage you to write to me with your thoughts and suggestions. Please be mindful that this in no way guarantees your request.

End of year concert preparations are also underway. If you are aware that your child/ren will not be at school for this exciting event, Thursday December 11 from 7pm, due to an extended holiday, please inform their class teacher as soon as possible to assist with organisation.
