Dear Parents and Carers,

The totals are in!! $1300.90 raised from last week’s Biggest Morning Tea. Thank you to all our families and staff for supporting this fundraising event for the Cancer Council.

Congratulations to all of our students who competed at the Bathurst District Cross Country Carnival, held at Mount Panorama last Friday. Miss Benson returned to school with glowing reports of their great enthusiasm, sportsmanship and achievements. We wish 6 students; Tahnaya Mercieca, Poppy Hobson, Ella Davis, Anthony Cole, Shaun Cole and Zoe Bunyan all the best when they compete now at the Western Area Carnival in Wellington on Wednesday 11th June.

Further sporting success, with a convincing win against Bathurst South, has seen our Boys Soccer team make their way through to the third round of the Knock-out draw on Friday 27th June. Good luck boys, keep up the great team work.

How can breakfast affect children while at school?

Breakfast really is the most important meal of the day. Studies show that eating a healthy breakfast can help give you:

- A more nutritionally complete diet, higher in nutrients, vitamins and minerals
- Improved concentration and performance in the classroom or workplace
- More strength and endurance to engage in physical activity
- Lower cholesterol levels

Eating breakfast is important for everyone, but is especially so for children. Research has found that children who eat breakfast perform better in the classroom and on the playground, with better concentration, problem-solving skills, and hand-eye coordination. Please support your child/ren in ensuring they start the day with a healthy breakfast.

Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php

Garden Club News!

Week 2: We had a special day planting out flowers (anonymous donation) for Mother’s day & another special week in May. Sue & kids caught caterpillars and we harvested pumpkin & our last zucchini.

Week 3: Saw another load of granite hauled from the trailer in buckets to finish our neat garden paths. Heaps of kids helped, with Joe, Alex & Isac (Yr 3) holding the record for the most bucket loads. There were some great girls on the wheelbarrow too, who quietly moved mountains. Too busy to take photos and thank all the great kids in only a 20 minute club day. You know who you are and the paths look tops! Mrs Clifford’s class came after lunch and finished feeding the worms, watered & raked leaves – thanks!

Week 4

Kellie & kids tended seedlings + planted more lettuce. We had leaves to rake and mulch to spread.

The regular committee of Sue, Nat, Kathy & I would like to welcome Kellie to the crew!

Everyone welcome in the garden! Kids club day = Friday’s 2nd half of lunch.

(open to all kids, we supply gloves).

See you in the garden,
Tracey.
