Dear Parents/Carers,

WOW! What a busy week we have had this week. It never ceases to amaze me the number of additional opportunities available to your children whilst at school. This has been seen with the great involvement in the World of Maths Roadshow, Charlotte’s Web culmination day activities for 3L and 3R, Mother’s Day Stall, Tennis Knockout and Cross Country for 8 – 13 year olds. Tomorrow we wish our Boys Soccer and Girls Netball teams the best of luck in their rounds in the Knockout competitions. GO EGO!!!

World of Maths – It has been enjoyable watching our students work as part of a team to solve problems, challenging their thinking and further developing their ability to demonstrate determination to find a solution. Maths is lots of fun! Thank you Mr James for organising this great event.

Mother’s Day Stall – Thank you to our supportive P & C helpers for providing a wonderful selection of gifts. I am confident our mums and carers will have a special day on Sunday.

Tennis Knockout – Congratulations to our tennis team; Hugh Parsons, Jamie Browne, Ella Davis, Chiara Bicanic and Braiden Lowe for their success in the Tennis Knockout on Wednesday, winning against Cudgegong Valley.

Cross Country – Thank you to Miss Benson for her co-ordination and running of a very successful Cross Country event today. I hope those legs from the boys and girls will be well-rested tonight after a 2km or 3km run.

Points of Contact – Throughout the year there will be many occasions when you would like to discuss your child’s progress or areas of concern with a staff member. Classroom teachers are always willing to organise interviews with parents and carers and I encourage you to make this your first point of contact. Please request an interview time by calling our front office on 6337 1205 or sending in a note to the teacher. For some issues relating to your child’s progress you may wish to speak further with the Stage Leader or myself. Please contact us to arrange a suitable meeting time.

Stage Leaders are as follows: Early Stage 1 and Year 1 – Mrs Hanlon (Weeks 1-4), Mrs Porter from Week 5 onwards; Year 2 and Support Classes – Ms Miller; Stage 2 – Mrs Sack and Stage 3 – Mr James.

NAPLAN – Next week on Tuesday to Thursday all our Year 3 and 5 students sit the National assessments in Literacy and Numeracy. These tests will compare our student’s progress with similar aged students across Australia and is a snap-shot of their achievements. You can support your child through ensuring they have a good night’s sleep, a healthy breakfast, a water bottle and no absences. Thank you for your support and good luck to our students.

P & C Meeting – Our next meeting will be held on Tuesday 13th May, 2014 at 7pm in the school staffroom. All parents are very welcome to attend.

**Year 5 Opportunity Class 2015**

Families wishing to apply for Year 5 Opportunity Class placement in 2015 must complete an online application by May 16th. Opportunity classes cater for highly achieving, academically gifted students who may otherwise be isolated from a suitable peer group. These classes can provide intellectual stimulation by grouping gifted and talented students together, concentrating school resources and using specialised teaching methods. Students are offered places in opportunity classes by a selection committee which considers all available information.

There is an Opportunity Class at Bathurst West Bathurst Public School. Online applications can be made at [www.schools.nsw.edu.au/ocplacement](http://www.schools.nsw.edu.au/ocplacement).

Please contact the school to make an appointment with your child's teacher if you wish to discuss their suitability for an Opportunity Class.
**Biggest morning tea**

Thursday 22nd May 2014 (Week 4)

It’s that time of year again, Eglinton Public School will be hosting a Biggest Morning Tea to help support a worthy cause. Traditionally Year 1 students and their families supply the goodies for the students to enjoy. So dust off your cook books and start adding the ingredients to your shopping list.

**Garden Club News**

Even a downpour (last week Term 1) couldn’t stop the kids setting up the new worm farms. We snuck into the end of the Cola and got the job done! The worm farms came to the club through a grant our canteen manager was successful at winning. Thanks heaps to Amanda.

Here are the 2 new worm farms in the club garden where they are fed with canteen green waste and crunch & sip left overs!

The 5 kids in this photo were a great help last week – staying late to help pack up after a busy session with a large roll up of younger kids new to the club.

Everyone welcome in the garden......

Friday’s 2nd half of lunch.

Tracey.
