Principal’s Report.

Congratulations to our District Athletics team for their fantastic effort last Friday. The team’s combined achievements were excellent with many ‘PBs’. Special congratulations to Ella Davis for achieving senior girl's champion. Congratulations and good luck to the students who now move to the next level of representation.

Education week celebrations

This year we are holding our Education Celebrations in week 5. Our tradition of combining Book Week and Education Week continues. We are inviting parents to join us on Tuesday August 12th for lunch with the children and then activities between lunch and recess.

Overview of activities August 12th.

11:45am - Lunch with your children and visit the Library to see the range of books available for purchase at the book fair.

12:30pm - Classroom visits and Stage based activities.

1:20pm - Book parade.

Our Book Fair theme is ‘Connect to Reading’ and we encourage our students to represent this with costumes that show how they have connected to reading. This could mean they come as a favorite character or author. They can use their imagination to dress up in a way that shows how they enjoy reading. For this reason the 12th of August will be an out of uniform day. We hope all parents can find time in their busy day to join us for Education Day celebrations.

Electronic 'Tablet' devices are increasingly becoming part of students' pencil case belongings, (much like a calculator was for us). These devices have wireless internet capabilities, bluetooth and cameras. As such, they pose a child protection and security risk if used inappropriately. Please observe the following guidelines for the use of these devices if brought to school:

- Students bring these devices at their own risk.
- The school will accept no responsibility for them if broken or stolen.
- These personal electronic devices are never to be accessed or used other than with direct teacher approval and supervision.
- As with mobile phones, these devices must be handed in to the classroom teacher at the commencement of each day.
- The classroom teacher will decide when and if such devices support the classroom learning activity.
- Before and after school these personal electronic devices must remain in the student's school bag until they have left school grounds.

Some important reminders that help us at school:

- Please avoid waiting directly outside classrooms in the afternoon when waiting to collect your child. Teachers need students to stay focused through to the end of day and familiar voices and conversations can become distracting for them.
- Also please avoid 'doorstop' interviews with your child's teacher. Rarely can a teacher give you their undivided attention at this time and assure the safety and wellbeing of other students as they exit the classroom.
- Always use the pedestrian crossing when crossing Alexander Street even if you are parked north of the school.

Anaphylaxis

- Just a reminder that we do have students enrolled who are highly allergic to nuts and nut spreads. Thank you for supporting the safety of these students at school by not packing nuts or nut spreads in your child's lunch box.

Healthy Bites

Thank you to all of our wonderful volunteers yesterday for our red day, the kids loved the mince & cheese nachos. You all go a long way to help keep our wonderful canteen open for the five days I really appreciate it.
The mornings have still been quite cold so don’t forget warm milo is available for $1.00
Thanks again. Amanda
