HEAD LICE TREATMENT

O’Shea’s barber shop is now offering head lice treatment. It is against the law for someone to cut a child or adults hair with head lice, so by offering this service they can receive the treatment and still have their hair cut within 20min of applying the treatment and be able to return back to school the very next day. The cost of the service is $15.00. For more information or an appointment phone 6331 9055

Healthy Bites

Our first week of our Healthy Kids promotion has been a huge success so far with over 200 items of fruit being sold. The kids are loving the fresh fruit salad and fruit cups, watermelon sticks and even some blueberry muffins. Just a quick reminder that lunch orders must be handed into the canteen as soon as your child arrives at school, no later than 9:30am as I have to call the bakery with our order.

Thanks

Basketball

Last Friday our basketball teams took to the court for their semi-final games in the Western Area Knockout competition. Unfortunately, they came up against two very strong teams from Cooerwull. Both our teams displayed good sportsmanship and determination throughout the games. Our girls finished third in the Western Area and our boys finished fourth. Both teams should be proud of their performance. I would like to thank the parents for their positive support and encouragement on the day. Thank you to Mrs Doble and Mr Parsons for covering our bench duties.

SunSmart Snippet

Did you know?
- UV is not linked to the temperature and can be high even on cool and cloudy days.
- Too much UV from the sun can cause sunburn, skin damage, eye damage and skin cancer.

Here are our 2 top tips for you!
- Use the SunSmart App – To find the daily UV level for your area and recommended sun protection times. The app also has a sunscreen calculator to find out if you’re using enough sunscreen.
- When the UV level is 3 or above – Protect your skin in 5 ways. Slip, slop, slap, seek and slide.
