Dear Parents/Carers

Welcome back to what is traditionally a busy term with many great activities taking place. Staff have spent time discussing the importance of a diligent approach to all aspects of school from our students to ensure that term 4 is a very successful and worthwhile term for us all. I know that this expectation will be easily met by our student body.

Next week is a very busy one with two visiting performances coming to our school. I apologise for the performances being in the same week; something we try to avoid, but unfortunately the timing is out of our hands. The NAIDOC week activities will be a worthwhile experience with students being involved in a variety of hands-on workshops for the whole day. The school is significantly subsidising these workshops as we consider Aboriginal Education to be an important element of our school curriculum, and encourage all students to participate. Classes from K-3 will attend workshops on Monday, October 12 whilst 4-6 will participate in their workshops on Tuesday, October 13. Children are encouraged to dress in the colours of the Aboriginal flag for their respective day.

‘G’Day Asia’ is an interactive show highlighting aspects of Asian culture, an integral element of the newly released History and Geography syllabuses and will take place on Wednesday, October 14. We encourage all students to participate in this hour long presentation. Notes for both presentations have been sent home and are available on our website.

The hot weather has been a timely reminder of the importance of wearing broad-brimmed hats whilst outside. Our school employs a ‘No Hat No Play’ policy. Please help us by ensuring that your child has a broad-brimmed hat to wear at school. Caps are not to be worn. If you require a new broad-brimmed hat, our friendly office staff can assist you.

Please note for a three week period beginning next week on Friday, October 16 the whole school primary assembly will be held at 11:00am to cater for the stage 3 Interschool Sport program.
