Principal's Report

District Athletics Carnival. Congratulations to the 53 students who represented Eglinton School last Friday. I was impressed by the support that students showed for each other and the high levels of sportsmanship displayed. Congratulations must go to Talan Egan-Maranda who was Junior Boys Champion. The carnival ran very smoothly thanks to Peter Hanlon and Ross James’ organisation. Thanks to Mrs Hicks for her role as official judge.

JEANS FOR GENES
Friday is Jeans for Genes Day. This is a national day when people wear their jeans to raise much-needed funds for research into birth defects and diseases such as cancer, epilepsy and a range of genetic disorders. On the first Friday in August each year workplaces, schools and streets become a sea of denim in a united stance against childhood disease. Every dollar raised on the day help scientists at Children’s Medical Research Institute discover treatments and cures, to give every child the opportunity to live a long and healthy life. Students wishing to donate a gold coin and participate must wear Jeans and their usual school top.

Thank you.
Our school has settled well into term 3. Overall students are working very well in class and displaying respect for teachers and courtesy toward each other. Thank you, parents, for instilling virtues of tolerance, courtesy and kindness into your children and for supporting our school in the many ways you do.

Anaphylaxis
Just a reminder that we do have students enrolled who are highly allergic to nuts and nut spreads. Thank you for supporting the safety of these students at school by not packing nuts or nut spreads

Keeping our students safe
There have been reports about students running across the road in front of traffic. Please ensure your children use the pedestrian crossing when entering or leaving the school, the only exception are bus students who use the gate nearest the admin area.

Meleesa Smith
Relieving Principal.

Magic in the Library

To celebrate the 40th Anniversary of an engineering marvel, a week of magic will happen in the Library, from Monday 10th til Thursday 13th August. That magic will be found in the form of a small cube. In 1975 Erno Rubik patented the 'Magic Cube', renamed the 'Rubik’s Cube' when released to the world in 1980.

Students are encouraged to bring their own (3x3) cubes (or an old family one) into the Library during lunch (after being released from eating), where they will be taught some basic skills involved in solving the cube.

We will also hold “Speed Cubing” events, where students can record their time solving the different layers of the cube. These times will be displayed in the Library for future reference and challenges.

I have purchased a few cubes to help those who are interested but don’t have access to one of their own.

Clothing Pool

TAGS – Could everyone please check name tags on clothing to see if you have your own child’s clothing or accidently picked up someone else’s. People are purchasing clothes that have names on them and not getting returned to the student or lost property. Thank you.

POLAR FLEECE JUMPERS – Any orders that were not picked up from last term have been returned to stock. So we have a variety of sizes (no sz10) in stock. So if you are after one, please come in and purchase one.

LOST PROPERTY – please check (in tubs on kindy verandah). Reminder: PLEASE LABEL ALL CLOTHING.

THANK YOU to all volunteers and THANK YOU to all for your donations.

See you Mondays...... reminder: Order form is available at school office or on school website. If unable to come in on a Monday, fill out form, circle ‘leave in office’, provide mobile no (so I can text you) and you can pick up after the next Monday. Or if really needed, please contact me and I’ll see what I can do.

See you Monday, Denise

Garden Club News:
Week 4 Term 3 2015

Thank you to the anonymous green thumb fairy who donated a compost bin to the garden. The kids started a few layers last week.

Our seedlings supplied by Bunnings have made it through the snow, but are suffering under the bird’s taste testing and pecking .....see here:

This week we plan to jazz up a new scare crow, so kinds bring in a funny old hat or clothes to make a colourful scarecrow on Friday please. (We had better make a male scarecrow this year, our last one was the pink lady).

Garden Club – Fridays 2nd half lunch.

All welcome.

P and C news:

Book Parade Afternoon tea

We raised $140.50 at the Book Parade Afternoon Tea. Thank you to everyone.

Canteen –

Our thanks go to the Canteen staff and volunteers for organising and supporting the highly successful ‘Pizza Day’. Last count we were up to 240+ orders. What a great result. Thank you all for your support.

Great article in the Daily Telegraph 26.07.15

And for those ‘time poor’ parents who just can’t commit to a shift at the Canteen don’t forget you can support them in other ways – sandwich bags, aluminum foil, gladwrap, Milo tins…… donations are always so welcomed.

Short of time? Low on fresh fruit stocks at home?

Don’t forget these fantastic ‘dipping cups’ and fruit cups can be purchased from the Canteen before school for just 50c. We think these would be the envy of everyone in the class come 10am and Crunch and Sip time!
