Dear Parents/Caregivers,

Numeracy is a compulsory component of our curriculum, and to make numeracy fun and relevant to our students, we have arranged for the World of Maths Roadshow to visit our school. The World of Maths Roadshow is an ideal opportunity for students to see how maths is applied to some real life situations.

More importantly, students will be engaged in hands-on activities that will cater for all ability levels and probe their problem solving skills. It is a highly engaging session which will show the children that Maths can be fun!

For more information, to view a video of a session in action, and read testimonials from schools have previously participated in the program, visit the World of Maths website www.worldofmaths.com

YEAR LEVEL(S): Years 1 -6

DATE: 17-18 February, 2016

COST: $5

Please fill in the slip below and return to school with money prior to the program dates.

**Parents are able to attend, especially with junior grades (at no cost).**

Ross James Meleesa Smith
Maths Co-ordinator Principal
